YOU WILL NEED

- SCISSORS
- XACTO KNIFE
- PAPER GLUE
- 1 PAPER BRAD
- 5.5 INCH SQUARE ENVELOPE

HOW TO MAKE

1. cut out the blue lines and areas
   - remember to cut out the wheel on the second page too

2. fold on the dotted line

3. punch a hole on the back of the card and in the center of the wheel for the brad to go through
   - both spots are marked with a black dot

4. attach the wheel to the inside of the card with the brad
   - make sure the wheel turns freely and that the words show up in the window when the front of the card is folded over

5. using a small amount of glue inside the two bottom corners glue the top of the card shut
   - make sure the wheel can still turn freely before the glue dries

6. once the glue dries dial the wheel to each of the three statements and finish the sentence by writing in the open area that appears in the banner below

7. give to your father along with a hug from us
